

Herzinfarkt bei Frauen

Unerwartet:
Frauen sterben
deutlich häufiger
am ersten
Herzinfarkt
als Männer

16,9%

The infographic features a large grey silhouette of a woman's upper body. Inside the silhouette, a pink heart is shown with a white lightning bolt striking it, symbolizing a heart attack. The percentage '16,9%' is written in white text below the heart.

9,9%

The infographic features a smaller grey silhouette of a man's upper body. Inside the silhouette, a blue heart is shown with a white lightning bolt striking it, symbolizing a heart attack. The percentage '9,9%' is written in white text below the heart.
